Residential complex in Marbella

Code 29

Discover TIERRA VIVA Villas - Luxury residences, inspired and designed by LAMBORGHINI

These luxurious and exclusive residences have been inspired and designed by none other than the famous supercar brand Automobili Lamborghini.

Nestled in the breathtaking Andalusian hills and overlooking the sea, our luxury residential complex gently rests on the side of a hill. Each of the 53 unique villas is at a different height, ensuring each unit an uninterrupted and wide view of the impressive landscape - a true balm for the soul.

The villas are divided into three different types to suit every individual taste: the generous Diamante villas with 6 bedrooms, the fascinating Zafiro villas with 5 bedrooms, and the elegant Esmeralda villas with 4 bedrooms.

The TIERRA VIVA project is open to all nationalities and is located in the prestigious area of Benahavis, within the gated community of Los Jarallilos. Each villa has its own private pool and is protected by high-quality security services available 24 hours a day.

Construction is expected to begin in October 2023 and be completed in June 2026.

Experience the luxury inspired by LAMBORGHINI. Discover TIERRA VIVA Villas - your home setting new standards.
